

DEEP SOUL MASSAGE THERAPY PRICELIST

When we are in pain either physically; mentally; emotionally or spiritually - we 'hang onto it' which does not help the healing process at all.

Start with valuing your 'SELF' and book in for either a sauna, spa, float or - a massage.

The Deep Soul Deluxe experience will ready you for the next week! It will create the space needed to evaluate your pain and move towards creating a regime to nurture YOUR BODY and work with it - not against it. Book in today with Haylea on 0416 165 769. Be kind to your 'self!'
